### DESCRIPTION

Repress of MNDSGN produced EP "Low Jams" which caused a little buzz on the net and deserves another vinyl re-release, including bonus tracks and instrumentals by Stones Throw producer Mndsgn. Watch out for Ivan's solo LP debut later this year and upcoming collabs with Mndsgn, Elaquent and many more.

"Ivan Ave manages to flow effortlessly over MNDSGN's jazzy but inventive instrumentals. Ave's flow is very reminiscent of Blu circa Below The Heavens, delivering thought-provoking rhymes in a very relaxed and soulful manner. MNDSGN continues to prove himself as one of the best producers in the game, with a collection of beautiful piano based soundscapes that flawlessly compliment Ivan's calmness." Earmilk.com
