- Album cover artwork by Wyatt Mills
- Layout/design by Anne Mills Coté

DESCRIPTION

"For me the new album represents mortality, the afterlife, the soul, and the body. For me personally it also speaks to family, history, community, artist communities especially, and the fact that we can do more together than alone. Buried At Sea is the cyclical nature of time, the process of grieving, and ultimately, the road back to happiness and peace." — Wylie Cable

In loving memory of Arthur Cable & Rosalind DeMille.
