DESCRIPTION

Nickelus F's latest album *Stuck* feels like a breakout moment for an artist whose already had several. His lucid storytelling has set him apart in recent years as an artist to watch in Richmond's emerging hip-hop underground, and *Stuck* is no different. It's an introspective trip that deals with intersecting personal and political issues, and is driven by the records strong lyricism and DIY production style. F has been releasing music for almost a decade now, working alongside artists like Drake, Ohbliv, and Lil Ugly Mane, and his energetic live performances have made him a mainstay on hip-hop bills in Richmond.
