- Entire album produced by burgeoning German production team Snowgoons

DESCRIPTION

Amidst critical fanfare and a rapidly expanding US profile, The Snowgoons, the renowned German production team of Det, DJ Illegal, Torben & DJ Waxwork present their regarded sophomore offering, *Black Snow*. With guest performances from the upper echelon of independent talent, including Defari (Dilated Peoples), Smif & Wesson, Killah Priest, ILL Bill (Non-Phixion & La Coka Nostra), Outerspace, C-Rayz Walz, R.A. The Rugged Man, Sabac Red (Non-Phixion), among many others, the Snowgoons once again storm the US shores with their distinctive blend of beats paired with the cream of the independent emcee crop. Due to high-demand for this underground classic, Babygrande Records is now offering the digitally remastered version of this album as a special edition white vinyl set.
