

DJ MUGGS X ROC MARCIANO KAOS

KEY SELLING POINTS

- Producer and founding member of Cypress Hill, DJ Muggs and NY's finest, Roc Marciano have joined for a collaborative album *KAOS* via Soul Assassins Records

DESCRIPTION

KAOS is a 10-song score made to soundtrack an upcoming feature film coming in Spring 2019. The film follows two childhood friends, Muggs and Roc Marci, who were brought up in different areas of New York: Hempstead, Long Island and Flushing, Queens. After a significant amount of time spent apart, they are reunited after Muggs serves out a 10-year prison bid. With hopes to rule the streets once again, the duo act out in 'kaos' towards anyone who tries to get in their way.
