- 4 skip proof tracks and 4 beat sections
- Classic jungle beat section can be used to cut up beats at drum and bass speed or hiphop speed
- Individually hand-printed linocut cover
- Manufactured at a high-quality pressing plant in the USA

DESCRIPTION

Riot Breaks is everything you'd want in a portable scratch record. Jam-packed with an insane amount of samples (over 200!) with a focus on revolutionary politics, it also has multiple beat sections, and 4 skip proof sentences.

Highlights include a classic jungle beat section, which can be cut up and juggled at drum and bass speed, or scratched out at hip-hop speed. It is nearly impossible not to have fun with this section, with beats that help you break out of your old beat juggling patterns.

This record is underground DIY to the max: with hand-printed linocut covers, original and versatile spoken samples, and carefully crafted beat sections, there is enough here for everyone.. And with samples for days!
