DESCRIPTION

After more than 20 years since *The Soul Assassins Chapter 1*, DJ Muggs drops the long awaited sequel - *Dia del Asesinato*. Like previous Soul Assassins projects, Muggs features a slew of legends including MF Doom, Raekwon, and Kool G Rap, balanced with a crop of today's top rhyme spitters including Freddie Gibbs, Meyhem Lauren, Mach-Hommy, and Eto.

Many of the guest MC's make multiple appearances, different from previous Soul Assassins projects which featured unique guests per track. However, the extra reps from Raekwon, Kool G Rap, MF Doom, Meyhem Laruen and Mach Hommy present the opportunity to flex their lyrical muscle on a variety of signature Muggs production.
