### DESCRIPTION

Toronto's three-headed rap monster, Swamp Thing (Timbuktu, Chokeules & Savilion) have delivered a special sonic treat every Halloween for close to a decade. This year is no different. *Horse Power* is their seventh full length studio album and anticipated follow up to their 2017 release, *The Octagon*. Produced by Savilion and Timbuktu, the thirteen track LP showcases the electric chemistry, creativity, and swagger that the three emcees bring to the table, along with some talented features including the all-star turntablist DJ iRATE, Wordburglar, and D-Sisive. The new release is dusty, murky, and fully charged, taking you on a freak show tour of lyrical styles, far out concepts and production prowess.
