DESCRIPTION

Limited edition of 500 copies on blue colored 2LP vinyl. The Grouch's fifth album from 1999, *Making Perfect Sense*, gets its first ever vinyl edition. Being a founding member of the Living Legends crew, The Grouch has made his name from the mid-90's on as one of the leading artists out of the flourishing Westcoast Underground scene. All independently, all DIY. We at HHV are very excited to finally get his full back catalogue out on vinyl, for the first time ever!
