TRDMRK

Hands Up b/w Instrumental

DESCRIPTION

Hands Up by TRDMRK is the first follow up single from Slimkid3 (Pharcyde) & DJ Nu-Mark's (Jurassic 5) collabo release on Delicious Vinyl. This time around Tre and Mark decided to bring up and corner Austin Antoine into the faction and release it through DJ Nu-Mark's label Hot Plate Records. An incredible black and white video was shot for this lead single showing each member walk out of an elevator door on the streets in various parts of LA. Jazzy Jeff, Michael Rapaport, Andy Samberg and Z-Trip gave wonderful quotes on Slimkid3 & Nu-Mark's debut. Here's a dark and heavy hitting follow up! Next up the TRDMRK LP and a world tour to match.
